DOCTOR TESTIMONIES

Chairperson: Former Director of the Hanoi Dermatology Hospital

Dr. Nguyen Quoc Hung, Specialist Level II

IDAX 2026 exemplifies a premier exhibition, uniting esteemed brands from France, Japan, Korea, and Taiwan, thereby establishing a platform for multilateral connections between medical professionals and enterprises in the beauty sector.

I particularly value the practicality of the professional content presented here. The vision of aesthetic medicine at the molecular level is not only modern but also reinforces the trend of sustainable beauty: effective from the foundation, minimally invasive.

Dr. Pham Khanh Ly

IDAX 2026 was genuinely impressive, characterized by its expansive scale and the involvement of esteemed medical professionals. Attending the exhibition provided a significant opportunity to remain informed about the latest developments in cosmetic dermatology and to engage directly with numerous reputable brands. This experience was not merely a visit; it was a journey that enriched my knowledge and perspective within the beauty industry.

Dr. Tran Vuong The Vinh

The IDAX exhibition was an exceptionally professional event, featuring impressive booth sizes and meticulously organized seminars. It was a distinct honor for me to network with leading experts and deliver a presentation on 'Fibroblast Reprogramming.' This subject is pivotal, heralding a new era for sustainable endogenous aesthetics.

DOCTOR TESTIMONIES

Dr. Nguyen Vu Vuong

Becoming a presenter at IDAX 2026 was a valuable experience. I commend the stringent quality control measures for the booths, which facilitate the connection between physicians and businesses with the finest aesthetic tools. In addition to the remarkable scale, the professional visual and audio support provided by the organizers serves as the "lever" that enables experts like us to confidently communicate the full value of our knowledge to the community.

Dr. Dao Cam Van

Truly overwhelmed by the professional atmosphere at IDAX 2026! It is a privilege to be part of such a distinguished community of top-tier dermatologists. I am thrilled to share my insights on the IFRHA & Hybrid HA technique, a cutting-edge trend in modern aesthetics. Exploring the innovative tech booths and connecting with fellow experts has truly broadened my horizons and deepened my passion for the profession.

MSc. Dr. Thieu Thi Huyen Nhung

Despite having the opportunity to engage in numerous prominent scientific and aesthetic forums globally, I was nonetheless impressed by the meticulousness and professionalism exhibited at IDAX 2026. It is fair to characterize this as a world-class exhibition, showcasing an international standard from the organization to the customer experience, truly a standout event in the beauty industry this year.

IMPORTER TESTIMONIES

Ms. VAN ANH
CEO - VAN ANH BEAUTY

A remarkable experience with K-Beauty at IDAX 2026! My gratitude extends to the organizers for offering high-quality products and enthusiastic one-on-one testing assistance. I successfully "sealed the deal" on my favorite products directly at the booth. I will undoubtedly be a long-term supporter!

Ms. Trang Pham
CEO - SAN SPA

My experience at IDAX 2026 as a VIP Partner has proven to be immensely valuable. Anticipating the discovery of innovative technological elements to revolutionize the beauty industry, I was genuinely impressed by the operational excellence of IDAX.

The most remarkable aspect was undoubtedly the expertly organized 1:1 matchmaking sessions, which afforded me a private environment to engage in comprehensive discussions and gain closer access to the foremost aesthetic technologies globally. This established a robust foundation for the future growth of my business.

Mr. Tuan
AMH International Joint Stock Corporation

Having collaborated with IDAX since the 2025 season and returning for IDAX 2026, I genuinely value the advancements in organization. The organizing committee has offered highly effective support to businesses through one-on-one matching sessions, facilitating direct connections with esteemed international brands. The outcomes surpassed expectations; we successfully engaged with and identified 2-3 promising product lines for strategic partnerships in the near future.

EXHIBITOR FEEDBACKS

PILKOCOSPHARM

Mr. Daniel Joe

This marks our inaugural participation at IDAX 2026, and we are genuinely moved by the welcoming atmosphere. Vietnamese customers are not only cordial but also extend an exceptionally enthusiastic reception. It is a distinct pleasure to engage directly with and serve clients in the Vietnamese market, and we take great pride in being part of this remarkable exhibition.

LINKUS GLOBAL

MS. CHI

IDAX 2026 was remarkably impressive, featuring a grand scale and a diverse array of booths that provided numerous practical solutions and products for customers. Furthermore, the enthusiastic and dedicated support from the organizers throughout the exhibition contributed significantly to a truly enriching experience.

KB COSMETICS

Ms. Heesu Wang

Exceeding initial expectations, IDAX 2026 left a significant impression with its extensive scale and numerous potential clients. The most valuable aspect was the high level of expertise among the attendees, facilitating in-depth discussions and exceptionally high-quality meetings. We thoroughly appreciated this professional environment.

EXHIBITOR FEEDBACK

GREEN STAR PHARMA

Ms. Tran Kim Dung

Proud to be a participant in IDAX 2026! Surrounded by a world-class exhibition space and a vibrant atmosphere, we enjoyed exceptional networking opportunities. Our gratitude extends to the organizers for their unwavering support from setup to execution, facilitating our connection with an international network of partners and clients. It was a genuinely successful and memorable exhibition!

N&N GROUP CO., LTD.

MR. TRAN HUNG

IDAX 2026 showcased the remarkable presence of Dermelab and Skinderm in the Vietnamese market. We greatly value the caliber of our customers this year, observing a notably high rate of genuine connections. Numerous partners transcended mere attendance; they actively forged business relationships and scheduled post-exhibition meetings. This serves as clear evidence of the allure of cosmeceutical lines from France and Japan within the IDAX ecosystem.

MINT KOREA CO.,LTD

DR. TRAN HOANG MINH

In my view, IDAX 2026 was an exceptionally dynamic and professional exhibition. It provided a significant opportunity for the Remplir brand to collaborate, connect, and forge enduring partnerships with a network of prospective clients both nationally and internationally.

EXHIBITOR FEEDBACK

PT AIM TECHNOLOGY INDONESIA

Mr. Jason Tang

We are privileged to participate in IDAX 2026, a thorough and professional exhibition in the realm of cosmetic dermatology. We extend our heartfelt gratitude to the organizers for their unwavering support and for affording us the opportunity to engage with prominent doctors and experts. Notably, we are pleased to have had the opportunity to connect and engage in direct discussions regarding collaboration possibilities with the many distributors who visited our booth this year.

UNION MEDICAL COMPANY LTD.

Mr. Seo Justin

Participating in the IDAX 2026 International Dermatology and Aesthetics Exhibition for the first time, we were genuinely impressed by the event's significant allure for both exhibitors and industry professionals. The careful organization and efficient networking surpassed our expectations, ensuring our commitment to return for future exhibitions as opportunities arise.

SOWON BIO

Ms. Quynh Nga

IDAX 2026 left a significant impact with its meticulously organized event. Our strategic products from South Korea garnered unexpected popularity among Vietnamese customers. This success motivates us to register and maintain our partnership with IDAX 2027.

EXHIBITION HIGHLIGHTS

IMPOSING INAUGURAL CEREMONY

The event commenced with a remarkable opening ceremony, uniting experts, industry leaders, and prominent domestic and international enterprises. The dynamic atmosphere, professional organization, and motivating message paved the way for a journey of connection and robust growth in the beauty and aesthetics sector.

EXHIBITION HIGHLIGHTS

CONFERENCE

Featuring nearly 30 specialized presentations, the seminar series stood out as a highlight of the event, offering a wealth of in-depth knowledge on emerging trends in the aesthetics industry. This represented a valuable opportunity for physicians, spa proprietors, and enterprises to enhance their understanding, exchange experiences, and discover effective treatment and business solutions.

EXHIBITION HIGHLIGHTS

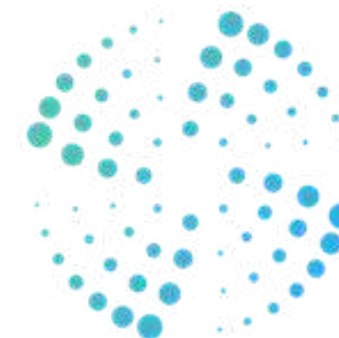

CONNECTING ENTERPRISES

The event also functions as a commercial conduit connecting businesses, brands, clinics, and distributors. Numerous international brands select Vietnam as a strategic location, introducing their most advanced products and technologies to identify distribution partners and expand their market presence.
